From the Editor's Desk

Welcome to our July 2025 issue! We celebrate our shared vision of learning and innovation, powered by community. Dive in to explore event highlights, inspiring student articles, and the people who keep this mission going. Your participation fuels our journey—thank you!

About the Communities

Global AI Secunderabad – Advancing AI/ML learning across India.
Dot Net Learners House – A vibrant space for .NET developers to grow together.
Swamy's Tech Skills Academy – Practical, real-world mentorship under Swamy's guidance.

Event Highlights – June 2025

June 7: Workshop by Swamy's Tech Skills Academy – Azure & GitHub Actions
June 12: Global AI Secunderabad Meetup – Prompt Engineering & LangChain
(Add event photos and session recaps here)

Voice of the Future: Student Tech Writers
